Please visit our website and check the accuracy of your present listing. Please note that there are many sections covering a wide variety of subjects, if you teach something, eg instrumental skills or dancing, you should be in the teaching section. If you accept bookings to perform, you could promote yourself or your band with a free page in the "Performers" or "Bands and Callers " section which could give your full details, or, act as a pointer to your own website. It's for folk just like you and it's free. Don't waste the chance. The more you use it the better it gets. If you have special requirements just give us a ring or send an email to the address to the contact points detailed above.
